

ELITE OR MASTER ISPA RECLASSIFICATION REQUEST FORM

Elite Player

Definition: All players determined by the Qualifications Committee as finishing in the top 6 % of the Men's/Women's Master Divisions continually at previous years of ISPA State Tournaments will be classified as an Elite Player.

Restriction: May play in the ISPA Master Division Singles events, giving the determined handicap and may play in the ISPA Men's/Women's Master Team event provided he /she is matched with one open player for every Elite Player on that team. (Two Elite max)

Reclassification to a lower division: Players may request to be reclassified to the ISPA Men's/Women's Master Division if 1) player has competed in 2- ISPA organized state level tournaments as an Elite player and not finished 'in the money' in either of those 2 tournaments and 2) must request in writing to the ISPA Qualification Committee before the Annual Meeting in June of each year to request to be reclassified to Men's/Women's Master Division. The ISPA Qualifications Committee reserves the right to deny any reclassification request.

Men's Master Player

Definition: All players finishing within the top 6% of the Men's Open Division at the previous years of ISPA State Tournaments or as determined by the ISPA Qualification Committee, will be classified as ISPA Men's Master Players.

Restriction: May play in the ISPA Men's Master Division Singles event and may play in the ISPA Men's Master Team event or shall be allowed to play in the ISPA Men's/Mixed Open Team event provided he is the ONLY Master Player on that team.

Reclassification to a lower division: May request to be reclassified to the Men's Open Division level 1 if 1) player has competed in 2 ISPA organized state level tournaments in the Masters Division and not finished 'in the money' in either of those 2 tournaments and 2) must request in writing to the ISPA Qualification Committee before the Annual Meeting in June of each year to request to be reclassified. The ISPA Qualifications Committee reserves the right to deny any reclassification request.

Women's Master Player

Definition: All players finishing within the top 6% of the Women's Open Division at the previous years of ISPA State Tournaments as determined by the ISPA Qualification Committee, will be classified as ISPA Women's Master Players.

Restriction: May play in the ISPA Women's Master Division Singles event and may play in the ISPA Women's Master Team event or shall be allowed to play in the ISPA Women's Open Team event provided she is the ONLY Master Player on that team.

Reclassification to a lower division: May request to be reclassified to the Women's Open Division if 1) player has competed in 2 ISBPA or ISPA organized state level tournaments in the Masters Division and not finished 'in the money' in either of those 2 tournaments and 2) must request in writing to the ISPA Qualification Committee before the Annual Meeting in June of each year to request to be reclassified. The ISPA Qualifications Committee reserves the right to deny any reclassification request.

You may submit this form through your League Operator or directly to the ISPA Qualifications Committee by mail at, 500 Edith, Dubuque, Iowa 52001.

I _____ of _____,
(PRINT YOUR NAME) (YOUR LEAGUE NAME)

Have read and understand the rules governing Elite/Master Players Classification and feel I have met the requirements to be reclassified to a lower division. I do hereby request to be considered for such reclassification. I further understand that, based on my observed abilities by the ISPA Qualifications Committee, I may be restricted to continue to play in that current Division.

Respectfully submitted,

(SIGN AND DATE)

You will be notified of the ISPA Qualifications Committee decision through your League Operator after the Annual Meeting of the ISPA (in June).
